

The bugs have come to stay and unfortunately got themselves stuck between a card and well, another card. In this card matching game there is only one way to get rid of them. Match the cards and send them on their way. Pick your poison with a range of card display sizes, but beware your time is limited before the whole deck is infested and you must get rid of the whole deck to be rid of the crazy crawlers! Enjoy a custom experience with a customized experience right down to the music! But the most important rule:

Have Fun!!!
